

# Third Sunday of Advent

## December 17, 2017

Today in Children's Church, the children heard how John prepared the people for someone who was coming and would be the Light of the World. The children understand that he was referring to Jesus being the Light of the World. Jesus came to Earth to show people how to love God and one another. Like a beautiful morning sunrise, Jesus makes our world a brighter place with his love. During Advent and at Christmas time, we celebrate Jesus' birth and how He is the Light of the World by hanging bright lights of different sizes and colors so our world can be a bright happy place filled with Jesus' love.

The children made a banner to remind them to prepare a way for Jesus, the Light of the World. By loving God and those around us, like Jesus, we too can be a light for our world.
