The Transfiguration of the Lord

Today at Children's Church, the children sang "Good Morning to You". It prepared them for the gospel which spoke about the brightness of God. As they listened to the gospel, props such as a cloud, flashlights and bright clothes were used to bring the transfiguration to life. They discussed the meaning of this event. They learned that God is unlike anything we are used to. His light is brighter than the sun. God wants our faces to shine brightly just as the face of Jesus did on that special day. Others should see that we have the love of Jesus in our heart by seeing his reflection in our bright shining faces.

We concluded with a flashlight hide-n-seek game. The children made their faces shine brightly when they were found and answered a question about the gospel.
