

St. Ann Seniors: Meet Galileo

You are invited to an entertaining afternoon Monday, September 25 at 1:00 pm in the Parish Life Center to enjoy tea (and coffee) and homemade desserts while listening to David F. Vincenti, author of "A Measure of this World: Galileo's Dialog with the Universe". Mr Vincenti is a father, husband, lector, engineer, and accordionist whose poems have appeared in numerous journals, recent anthologies, and two poetry collections. Through original poems and interactive discussion, David Vincenti explores Galileo's complex relationships with his family, his fellow scientists, and his lifelong Catholic faith. To register for this free event, call Ginny at 973-884-1986.
