

This December, the parish will begin using a new hymnal. Parishioners have the opportunity to dedicate one (or several) hymnals in honor or of their family, loved ones, and/or to commemorate a special life event. Samples and additional information can be found on dedication forms. Forms will be in the bulletin the weekend of September 9 and 10, as well as in the parish office and on the parish website.

Hymnals are \$25.00 per dedication, and there are a limited number available.
