Today the children discussed that there may be times when we fight or get hurt by a friend or family member. Or maybe, we are the one who does something wrong or hurtful. What we do and how we solve it, is what matters.

Jesus spoke to us about how to settle a disagreement by talking to the person who hurt us and also gave us instructions on how the church can help.

The children discussed the importance of gathering with our church community. They learned that when we meet with others to seek God's love we gain strength and are nourished by that love. **“When you gather together in my name, there I am in their midst.”**
